## **ABL Consulting Department Personnel News**

**BUFFALO, NY** — The *Dopkins ABL Consulting Services Group at Dopkins & Company, LLP Certified Public Accountants and Consultants* promoted Joseph W. Anderson to supervisor and Daniel A. Belue to Senior Field Examiner.

Anderson joined Dopkins & Company in 2006 after a twenty-year career in Business Banking and commercial lending. Joe is responsible for organizing and managing multiple client assignments simultaneously, ensuring overall success of each project. His client management will include the scheduling of assignments, insuring an appropriate level of communication between the client and our colleagues, reviewing all work papers and reports and the monitoring of turnaround time and due dates. He graduated from St. John Fisher College with a Bachelors Degree in Economics & Finance.

Belue joined Dopkins & Company in 2006 after graduating from Niagara University with a Bachelors in Accounting. In addition to performing on-site field examinations of commercial lender's prospective & existing borrowers, he will be responsible for organizing and managing complex client assignments as well as training, advising, and directing team members in meeting client and self development expectations.

**Editor's Note:** Dopkins & Company, LLP, a locally owned certified public accounting and consulting firm located at 200 International Drive, offers comprehensive accounting, auditing and tax services, as well as computer, wealth management, and human resources consulting, pension plan administration and collateral examinations.
