

WILLIAM M. PROHN CISSP, CISA, CGEIT, CRISC

Managing Director, Dopkins System Consultants
Director of IT, Dopkins & Company, LLP

As the Firm's Director of Information Technology and founder of Dopkins System Consultants, Bill Prohn has amassed an extensive amount of experience implementing and maintaining all aspects of computer hardware and networking environments, as well as many types of software applications, including accounting, operations, manufacturing, human resources and medical billing. Serving clients from a wide array of industries, including clinics, distribution, manufacturing, medical practices, not-for-profit and restaurant and hotel management, he concentrates his practice on the creation of meaningful, practical management information systems along with safeguarding the security of business information and systems.

Bill has specific experience in implementing and testing Information Security controls, with an emphasis on policies and governance. He has extensive experience in implementing and maintaining ERP systems (financial and supply-chain) and medical-billing/electronic claim filing system, along with the process flow that integrates these systems efficiently. Bill has assisted several clients in creating their IT departments, including defining necessary functions, staffing levels, service levels and deliverables, and provided periodic reviews of their operations.

Committed to remaining at the forefront of industry trends and developments, Bill has achieved the following professional designations: Certified Information Systems Security Professional (CISSP), Certified Information Systems Auditor (CISA), Certified in Risk and Information Systems Control (CRISC) and Certified in the Governance of Enterprise Information Technology (CGEIT).

Frequently serving as a guest speaker on the topic of Information Security and Governance, Bill has served as a panelist with legal, risk and law enforcement experts, and has recently testified before the New York State Assembly on cybersecurity for financial institutions.

A life-long resident of Western New York, Bill serves as a member of the Board of Directors for The Bristol Homes, an organization dedicated to providing exceptional care and services to the aging population of Buffalo, NY.
