Cybersecurity Panel

Joint event with RMA & Amerisource Funding

Templeton Landing - Skyline Room

2 Templeton Place

Buffalo, NY 14202

Thursday, March 15

5:30 - 8:30 p.m.

Today's cyber-attacks are common. They are increasing in size and sophistication, affecting all sizes and types of businesses. The potential impact on organizations is substantial and can include liability, damaged reputation and loss of business. Our panel of experts has been assembled to:

- Help you understand terminology and potential threats
- Share with you the best practices, including due diligence, internal controls and infrastructure
- Inform you how to respond in the event of a security breach

Our Panel of Experts:

- **Carmine Cicalese**, President and Founder, CYBER CIC, LLC
- **William Prohn**, CISSP, CISA, CGEIT, CRISC, Managing Director, Dopkins Systems Consultants
- **Gary Schober**, New York City Office Managing Partner, Hodgson Russ
- **Bridget Martin**, Vice President of Commercial Operations, Monroe Capital, Inc.

Please join us, RMA & Amerisource Funding for this timely and informative event. If you have questions for the panel, please e-mail them in advance to bridget.martin@monroecap.net with the subject line "CYBER QUESTIONS".

Registration: www.turnaround.org/upstateNY.

Questions? Please contact the chapter office at (716) 440-6615 or upstateNY@turnaround.org.
