

ROBERT J. BAUER, CPA

Director, Tax Advisory Group

Bob provides tax compliance, consulting and planning services for business and individual clients. He began his career in the tax department of a Big 4 international tax and accounting firm, and has gained over 20 years of tax accounting and consulting experience serving clients in both the private and public tax sectors.

With a career path that has provided him with the opportunities to lead a wide variety of tax engagements, Bob has served clients ranging from small privately-held businesses and their owners to large, complex, publicly-traded corporations and their executive team. Bob has extensive experience providing tax solutions to clients with multi-state businesses, including mergers and acquisitions, tax incentives and tax provision issues. His experience also includes tax department management service for leading distributors in the food and beverage industry in Charlotte, NC and Rochester, NY before returning to public accounting in Western New York.

Bob has assumed a leadership role in several pivotal areas of client service at Dopkins, including the Tangible Asset & Repair Study team, the Risk Advisory Services team, and the Research and Development team. Bob is also Chair of the Dopkins Wellness Committee.

Committed to giving back to the Western New York community, Bob serves as a member of the Planning Committee for the Buffalo Polar Plunge, one of the region's most unique community events. The Buffalo Polar Plunge has raised over one million dollars since the event's inception, and all proceeds support programs and services provided by the Special Olympics. In addition to his Planning Committee service, Bob is also a six-time Polar Plunge participant.
