

DOPKINS MC5 HEALTH CARE TEAM

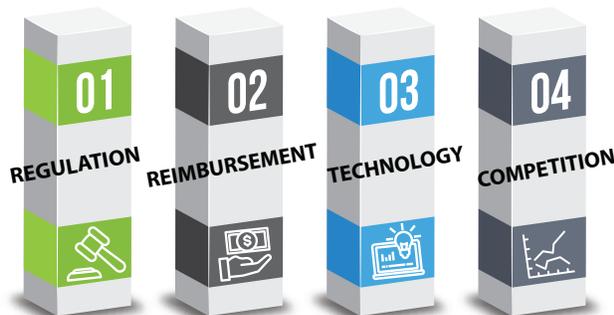

A FRAMEWORK FOR MANAGING INDUSTRY CHANGE

Health Care organizations all share in overcoming challenges related to regulation, reimbursement, technology and competition, collectively referred to as the "Four Pillars of Health Care".

In response, Dopkins & Company has created MC5, a unique multi-disciplinary service offering designed to assist our clients manage FIVE related critical success factors: Cost, Revenue Cycle, the Process of Care, Organizational Change and Risk/Compliance.

Four Pillars of Health Care

Dopkins
MC5 
 Managing Change in Health Care

THE DOPKINS DIFFERENCE

The Dopkins Health Care Team is led by professionals with inter-disciplinary expertise within the Firm who understand the uniqueness of the industry. Our clients include physician practices (individual and group), Health and Human Service non-for-profit agencies, ambulatory surgery centers, diagnostic imaging centers, laboratories, dialysis centers, university practice groups, and hospitals. Moreover, we serve medical device manufacturers, publicly traded, privately-held and family-owned operations.

YOUR MC5 TEAM

FOR MORE INFORMATION ABOUT DOPKINS MC5 HEALTH CARE CONSULTING SERVICES, PLEASE CONTACT:

Nicholas Fiume, CPA

Partner, Assurance Services Group
nfiume@dopkins.com

Nick is the Leader of Dopkins Healthcare and Not-for-Profit Practices. He provides assurance and consulting services to health care providers, hospitals, health and life insurance, as well as tax exempt organizations, manufacturing and financial services.

Albert A. Nigro, CPA, CVA

Partner, Tax Advisory Group
anigro@dopkins.com

Al provides accounting, tax and consulting services for privately held companies. His areas of specialization include health care, focusing on medical practices, providing services including strategic planning, operational consulting, income tax planning and business valuation. Al also specializes in serving life science companies and provides services for companies at all stages of development, including start-ups.

Matthew R. Huefner

Director, Dopkins System Consultants
mhuefner@dopkins.com

Matt is responsible for providing implementation and support services to Enterprise Resource Planning (ERP) and accounting system user clients. Matt has worked with businesses in many different industries, most notably not-for-profit organizations, clinics, and medical practices.
